Biological maternal grandfather: 1926-2014, died of natural causes.

Biological paternal grandmother: 1935-2008, died of natural causes.

Biological paternal grandfather: 1931-2000, died of natural causes. Why did she decide to become a donor

I grew up in a large family. We always had children`s laughter in our house. That`s why I can`t imagine a family without children. I want to give a chance another family to have a baby.
