### Donor`s family

The main aim in her life is to make sure her daughter turns into a wonderful woman when she grows up. She tries to teach her everything she knows: how to cook, embroider, love this world and be a great person.

**Biological mother:** 1959, healthy.

**Biological father:** 1957, died of natural causes.

**Biological brother:** 1979, healthy.

**Biological maternal grandmother:** 1929, died of natural causes.

**Biological maternal grandfather:** 1932, died of natural causes.

**Biological paternal grandmother:** 1928, died of natural causes.

**Biological paternal grandfather:** 1926, died of natural causes.

**Why did she decide to become a donor:**

This world would have been meaningful without my daughter, I`d like to help a couple to find this meaning in their lives.
